مصنع الاتحاد للصناعات الورقية
UNION PAPER MILLS
ISO 9001 : 2008 Certified Company

To Whom So Ever It May Concern

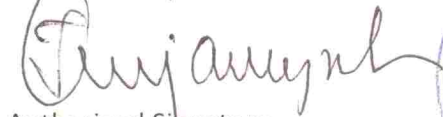

This is to certify that we have procured and installed **5Nos. of 30HP Triton Process Aerators Cum Mixers of make: Aire-O2, USA** for our Aeration Tank of Effluent Treatment Plant from Water Matrix Technologies FZE- Sharjah. Water Matrix has provided its services and products in the professional and efficient manner to our satisfaction. Their all Triton Process Aerators / Mixers met our expectations in terms of following parameters and was found to be inline with their commitment :-

- Treatment Efficiency
- Less Maintenance
- BOD, COD & TSS Reduction.
- Power Saving
- Environmental Friendliness
- Good Oxygen Transfer and Mixing
- Quality
- No requirement of stand by equipment
- The biggest advantage is that unlike diffuser system, the aeration tank is not required to be emptied out while carrying out maintenance of the Triton Aerators

These Triton Aerators are performing satisfactory since last two years. We confidently suggest Water Matrix Technologies. as technically reliable supplier and expert in their fields.

With Regards,

For Union Paper Mills
